INFORMED CONSENT FOR IQ TESTING

You have requested that Dr. Dana Chidekel administer a standard test of general intellectual function to _____, the child for whom you are responsible. It is important that you understand this process. Please initial each item below to indicate you understand it.

_____1. I understand Dr. Chidekel will administer to my child a standard test of general intellectual function. I have the right to consent to this evaluation on my child's behalf.

_____2. I understand Dr. Chidekel will write a brief report that summarizes the findings of the test. She will send me this report to me via email, unless otherwise arranged, within three working days. She will not release this report to any third party without my consent.

_____3. I understand that if I or my child disclose(s) certain types of information to Dr. Chidekel, she may be required by law or permitted to communicate this information to other people. Types of information that can mandate or allow a breach of confidentiality include reports of child or elder physical/sexual/emotional abuse and threats my child makes to harm him/herself or harm another person.

_____4. I understand that Dr. Chidekel is administering an IQ test only. If testing is being pursued for the purpose of gaining access to an academic program, she makes no guarantee about the findings of the assessment or the outcome of any petition I may file.

_____5. I understand that the cost of IQ testing is $550. This includes test administration, scoring, and the production of a brief, written report of the findings. I understand that if I wish to meet with Dr. Chidekel to discuss the findings, an additional hourly fee of $400 will apply.

_____6. I understand Dr. Chidekel will charge $550 to the credit card I provide when I confirm my child's testing appointment. I understand the fee will be refunded, in full, if I cancel or reschedule the appointment, via email, at least 48 business day hours before it is scheduled. I understand $550 will be charged to my credit card 1) if I cancel the appointment with less that 48 business day hours' notice, or 2) if I arrive more than 15 minutes late to the scheduled meeting and Dr. Chidekel doesn't have sufficient time to complete the testing.

CONSENT AGREEMENT: I have read, understood, and agreed to each of the previous items. I have asked questions about any parts that caused the concern or I did not understand. I understand and agree to the nature and purpose of this evaluation, how it will be reported, and to each of the points enumerated above.
